

Expression of Interest

DIGITAL MEDIA SKILLS PILOT PROJECT

If you answer *yes* to these 2 questions this pilot may be for you

1. Does your Riverland farm or food business need a website or a revamp?
2. Would your business like to support a local year 11 student grow their digital media skills?

RDAMR in conjunction with Renmark High School are seeking expressions of interest from local horticulturalists or food producers to volunteer to participate in a Digital Media Skills Pilot Program.

The opportunity kicks off in early April for 10 weeks and will require your business to engage with a year 11 student, host an onsite visit, complete surveys, have 1:1 contact with the student and work within the curriculum timeframes.

CONTACT

If you can commit 4-5 hours over the duration of the program please contact Kerryn via kvandyk@rdamr.com.au or (08) 8580 8500 for further details
